

branch Pay

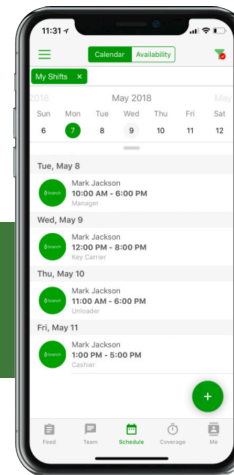

Reward your employees with instant access to earnings.

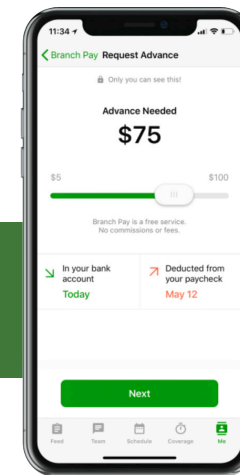

Pay provides real-time earnings technology that gives your hourly employees instant access to their earned wages, helping to alleviate stress, increase engagement and ultimately decrease employee turnover.

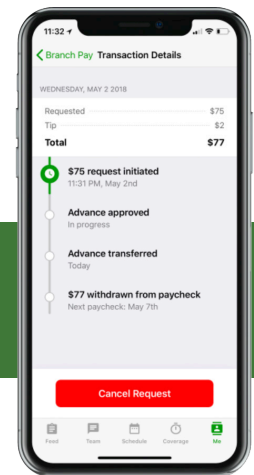

- Employee opts-in to use Pay
- Employee connects the bank account they use for direct deposits and debit card where they want to receive money instantly

- Employer provides Branch access to Payroll and Time and Attendance for hours worked and money earned

- Employee requests withdrawal on a customizable percentage of earned wages

- On pay day, Branch checks for sufficient funds and transfers amount of employee withdrawal
- If funds are insufficient, Branch does not withdraw, and simply restricts access from future withdrawals until payment is made

Enterprise benefits

Candidates are more likely to apply where Pay is offered

Reduction in annual turnover rate

Increase in shift coverage rates

Work. Earn. Repeat

For employees

- Instant transfer (under 1 minute)
- Works with any bank account or payroll card
- iOS and Android mobile app

For employers

- No management
- No pre-funding payroll

Easy set up

The Branch mobile app is easy to use for employees and seamless to implement for employers. Nationwide rollouts in under a week.

Support at all levels

Pay supports your employees with 24/7 email and phone support. Branch Pay empowers employers via a dedicated implementation and support team throughout the partnership.

No payroll or tax implications

Branch carries the financial load so there is no pre-funding payroll, tax implications or need for constructive receipt.

Compliant in all 50 states

Our Rules Engine is customized for payroll, scheduling and hourly worker legislation across all 50 states.

“I just want to mention to you that I really appreciate your time and dedication for this app. You guys nailed it with me because this was exactly what I was looking for. You guys are the best. I couldn't ask or even want to bother looking for any other app out there.”

Laura A., Store Manager
